---

David, Linda an Joe,

Western Zirconium has submitted a response to the NEIC sampling report for magnesium chloride. I am forwarding you their response in this email. Could you review their response and provide Region 8 feedback on the validity of their position?

Thank you,

David D.

Subject: WZ's mag chloride report

---

David

I have attached the report generated by WZ on their mag chloride so you can see their point of view.
